I hereby certify that I am a generator of hazardous waste within New York State and a business located in Monroe County and because of the small volume of hazardous waste generated and/or stored, I qualify for Conditionally Exempt Small Quantity Generator (CESQG) status per 6 NYCRR Part 372.

I understand that in order to qualify for Conditionally Exempt Small Quantity Generator Status I must meet **both** of the following conditions:

1. Generate less than 1 kg/month (2.2 pounds) of acute hazardous waste (as defined by 6 NYCRR Part 371), and never store more than this amount on site at any time; and
2. Generate less than 100 kg/month (220 pounds) of listed and/or characteristic hazardous (as defined by 6 NYCRR Part 371), and never store more than 1,000 kg/month (2,200 pounds).

I further understand that if, in the future, I exceed the quantity limitations described above, I will become subject to additional regulation as a hazardous waste generator and will no longer be eligible to participate in this type of collection program.
